Berkshire Healthcare NHS
NHS Foundation Trust

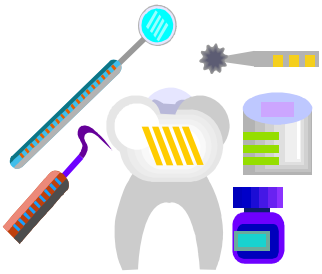
You are invited to attend a **FREE**

ORAL HEALTHCARE WORKSHOP

for unpaid/family and volunteer carers

Berkshire Community Dental Service

This workshop is run by the Berkshire Oral Health Promotion Team.
It is aimed at increasing your knowledge, develop practical skills and raise your awareness of appropriate oral health care for people who are involved in the care of others.



The workshop is being held on the following date:

Thursday 14th July 2011
9.30 – 12.30 pm

Health Education Room
Skimped Hill Health Centre
Bracknell
RG12 1LH

Objectives:
Using practical demonstrations and current evidence based research after attending the workshop, carers will be able to:

- Develop new skills on maintaining good oral hygiene.
- Have an increased awareness and knowledge of condition that may affect the mouth.
- Appreciate the effect that various drug treatment and medical conditions may have on the mouth.

Duration: 3 hours

Can anyone attend?
The event is also open to friends, neighbours and family members who assist with the caring responsibilities of the primary carer.

✂✂✂----------

I would like to attend an Oral Health Care Workshop.
